4B chief urges youths to help revive economy

KUALA LUMPUR, Sat. - Belia 4B president Datuk Mohamad Ali Rustam today urged youths to play their role in reviving the economy.

"With the Budget announcement of RM30 million for youth development, no effort should be spared to help the nation recover."

Mohamad Ali, who is also Deputy Transport Minister, said this at the 24th Belia 4B annual general assembly at City Villa in Jalan Haji Hussein.

The AGM was officiated by Culture, Arts and Tourism Minister Datuk Seri Sabbaruddin Chik.

Mohamad Ali also chided those involved in recent public disturbances, saying they were compromising peace and harmony.

"As we face the challenges of the economy, there are those who are willing to incite trouble."

He called on the movement's members to stand united and support Prime Minister Datuk Seri Dr Mahathir Mohamad's efforts to revive the economy.
