Good response to Perodua Kembara

HOT WHEELS ... The public turned up in droves to check out the first made-in-Malaysia four-wheel drive vehicle - the Perodua Kembara - at Perusahaan Otomobil Kedua Sdn Bhd outlets yesterday.

The 1.3 litre vehicle, manufactured by Perodua, was launched by Prime Minister Datuk Seri Dr Mahathir Mohamad on Monday.

A total of 475 units of the vehicle have been booked so far.
