Kelantan lays out traditional welcome for PM

COLOURFUL WELCOME ... An elephant and more than 1,000 women carrying the bunga manggar and pulut semangat took part in the procession to welcome the Prime Minister Datuk Seri Dr Mahathir Mohamad for the launching of Emtex '98. Dr Mahathir was earlier escorted by 2,800 Umno Youth members on motorcycles and 20 men on horses. The beat of 200 big drums, a traditional Kelantanese musical instrument, added colour to the procession and delighted the public who lined the road to welcome the guest of honour.
