MALAY STUDENTS BODY EXPRESS SUPPORT FOR MAHATHIR

KUALA LUMPUR, 9 Sept (Bernama) -- The Peninsula Malay Students Federation (GPMS) today voiced support for Prime Minister Datuk Seri Dr Mahathir Mohamad in leading the country and improving political stability and the economy.

Its secretary-general Syed Anuar Syed Mohamad also called on everyone to stop discussing the issue concerning the removal of the former deputy prime minister, Datuk Seri Anwar Ibrahim.

He said GPMS was confident that its members and other students would not get involved in any action that would worsen the situation.
