Mohtar: All should respect our judicial system

KUANTAN, Fri. - Attorney-General Tan Sri Mohtar Abdullah said as a general principle of international relationships, everybody should respect the judicial system of a country.

"This applies in Malaysia and the principle of non-interference in the internal affairs of Malaysia should be respected by neighbouring and also other countries."

"Prime Minister Datuk Seri Dr Datuk Mahathir Mohamad has said that let the judicial process take its course.

"We have our own judicial system and we must respect the decisions made by the system. So, I hope neighbouring countries and others show the same respect to the judicial system in Malaysia," he said.

Mohtar was speaking after calling on Pahang Menteri Besar Tan Sri Mohd Khalil Yaakob at Wisma Sri Pahang.
