PERWAJA-STEEL CONVENTION

MSSA TO ORGANISE A TWO-DAY STEEL CONVENTION NEXT MONTH

KUALA LUMPUR, Nov 11 (Bernama) -- A two-day international convention themed "Steel-The Way Forward" is expected to draw about 300 participants, not only from the Asean region but also from the Far Eastern and the Middle Eastern countries.

Organised by the Malaysian Structural Steel Association (MSSA), the convention will be a meeting point for both technical and non-technical people in the structural steel industry including developers, contractors, designers, consultants, researchers, academics and fabricators.

Perwaja Steel Sdn Bhd, the main sponsor of the event, said in a statement today that Prime Minister Datuk Seri Dr Mahathir Mohamad will deliver a keynote address and officiate the convention.

The MSSA convention is co-organised by the Steel Technology Centre, Faculty of Civil Engineering and Universiti Teknologi Malaysia.

Eight working papers are expected to be presented at the convention, the second to be organised by MSSA, while an exhibition, comprising 20 to 30 exhibitors would also be held to showcase latest steel products and technology.
