Press for reform, says Wan Azizah

PETALING JAYA, Tues. - Datin Seri Dr Wan Azizah Wan Ismail today urged the supporters of her husband, sacked Deputy Prime Minister Datuk Seri Anwar Ibrahim, to continue to press for reform, saying that the oppression in the country must be removed.

"Anwar's supporters can see for themselves the situation now and they must continue to work for reformation.

"We have a very beautiful country and a very beautiful system in the country ... (it is) only the oppression that we have to remove now," she told a Press conference at a hotel.

Asked if she was referring to Prime Minister Datuk Seri Dr Mahathir Mohamad, Dr Wan Azizah said the Home Minister must explain the situation.

Dr Mahathir is also the Home Minister.
