Ramli: Normal meeting with PM

PASIR SALAK, Sun. - Menteri Besar Tan Sri Ramli Ngah Talib said the meeting between State Umno liaison committee chairmen and Prime Minister Datuk Seri Dr Mahathir Mohamad at Seri Perdana last night was a normal meeting.

"We had a normal meeting," he said when asked if the meeting discussed the appointment of a new Deputy Prime Minister.

Ramli was speaking after giving away prizes to winners of the Bukit Tunggal International Run at the Pasir Salak Historical Complex. He was commenting on a newspaper report today over speculation that the discussions were about the appointment of a Deputy Prime Minister.
