Report lodged over department

KUALA LUMPUR, Tues. - A group calling itself the Malaysian Support Committee of the Plantation Community today lodged a report at the Public Complaints Bureau against the Prime Minister's Department.

They alleged that the department was inefficient and unprofessional since it failed to entertain or reply to their request to meet with Prime Minister Datuk Seri Dr Mahathir Mohamad.

The complaint was received by the bureau's director-general Ng Kim Chiu.

The group wanted to meet the Prime Minister to discuss monthly wages for plantation workers instead of the current daily salary.
