REVEAL STAND ON ANWAR'S EXPULSION, ZAHID HAMIDI TOLD

KANGAR, Sept 8 (Bernama) -- The Perlis Umno Youth today called upon Umno Youth chief Datuk Ahmad Zahid Hamidi to immediately stand his stand on the dismissal of Datuk Seri Anwar Ibrahim from the government and party.

Its head Zahidi Zainul Abidin said youth leaders would continue to question his position on the issue as long as he prolonged the matter.

He said although Zahid had voiced support for Anwar's sacking on behalf of the Barisan Nasional Youth, his stand on the issue was doubtful as he was still seen with the former Deputy Prime Minister.

Zahidi admitted that while Umno Youth leaders were uncertain on how to deal with the situation, many of them felt that Prime Minister Datuk Seri Dr Mahathir Mohamad was right in removing Anwar.

He said he would hold a meeting with youth members from the Kangar, Arau and Padang Besar divisions to discuss the much talked-about issue.

Meanwhile, Perlis Wanita Umno chief Senator Mastika Junaidah Hussain said she had called for a meeting of the State Wanita Umno tomorrow to draw up programmes to explain the issue to party members.
