SABAH ALSO TO PAY RM400 TO ITS STAFF

KOTA KINABALU, Dec 5 (Bernama) -- The state government will emulate the federal government by also providing RM400 financial assistance to its staff.

Chief Minister Tan Sri Bernard Dompok said they would get their money when federal government staff in the state received theirs.

"The state government supports whatever decisions or proposals made by the federal government for the common good," he told reporters after officiating the "Titian Emas" programme, here today.

Last Wednesday, Prime Minister Datuk Seri Dr Mahathir announced the financial assistance in lieu of bonus to federal government staff when opening the 21st triennial conference of Cuepacs in Kuala Lumpur.
