Sanusi: I'm not involved

ALOR STAR, Wed. - Menteri Besar Tan Sri Sanusi Junid said today he was not involved in Koperasi Serbaguna Penulis Utara Berhad's plan to publish a book on Datuk Seri Dr Mahathir Mohamad.

Expressing unhappiness with the co-operative for using his name to collect donations to finance the publication, he said he had withdrawn from becoming the patron of the book.

After chairing the State Exco meeting, Sanusi said he had been asked by the co-operative to write a message for the book.

"I have been told that they used my message to solicit donations."

Sanusi said he had received queries including from State legal adviser Mohd Zaki Mat Yasin and officers in his office.

The co-operative had allegedly asked for a donation of RM1,000.
