SC looking into Soh's report

PRIME Minister Datuk Seri Dr Mahathir Mohamad said the content of the police report made by businessman Datuk Soh Chee Wen had been referred to the Securities Commission for action.

Dr Mahathir, who is also Home Minister, said the action was taken because the matter was under the Securities Commission jurisdiction.

"Soh had made a police report against a corporate figure on June 4 this year at the Commercial Crime Investigation Division of the Bukit Aman police headquarters."

"The corporate figure named is not the son of a minister and does not have any relationship with any minister," he said in a written reply to Lim Guan Eng (DAP-Kota Melaka).
