`Stay out of reform meetings'

KUALA LUMPUR, Wed. - Umno members in Kelantan were today warned not to participate in any reform gathering or movement initiated by former Deputy Prime Minister Datuk Seri Anwar Ibrahim as it is against the supreme council's ruling.

Kelantan Umno deputy liaison chairman Datuk Anaur Musa said there would be no compromise with any member involved in the movement.

The members should accept that the supreme council had made a decision and abide by that decision, especially when the party president Datuk Seri Dr Mahathir was also the Kelantan Umno liaison chairman, he told reporters.
