Thatcher to launch book by PM

P. Selvarani in London

LONDON, Wed. - A compilation of five essays by Prime Minister Datuk Seri Dr Mahathir Mohamad on Malaysia's economic growth since Merdeka will be launched by Baroness Margaret Thatcher at the Dorchester Hotel here on July 7.

The book, *The Way Forward - Growth, Prosperity and Multiracial Harmony in Malaysia* by Dr Mahathir Mohamad, reflects on the successes and failures of government policy since independence and how the New Economic Policy had helped bring the Bumiputeras into the mainstream of economic life.

The 133-page book is published by Weidenfeld & Nicolson to be sold at STG16 (RM102.40) a copy. It will be sold in Malaysia and Singapore soon.
