(The Langkawi International Dialogue ... )

THE Langkawi International Dialogue (LID) 1998 will not be held to make way for the Southern Africa International Dialogue '98 (SAID) in Namibia in July, Malaysian Industry-Government Group for High Technology co-chairman Tan Sri Dr Omar Abdul Rahman said.

This will be the second year that MIGHT is participating in SAID. MIGHT members participated for the first time in SAID in 1997. Omar clarified that the scrapping of LID this year is a "one-off" thing.

Prime Minister Datuk Seri Dr Mahathir Mohamad will attend SAID.
