UMNO MUST HELP MAINTAIN PEOPLE'S CONFIDENCE- NEGERI MB

SEREMBAN, March 22 (Bernama) -- Umno members must help maintain people's confidence in the party and should not be involved in squabbles which can destroy unity while jostling for party posts, Negeri Sembilan Menteri Besar Tan Sri Mohamad Isa Abdul Samad said today.

"Umno members must not create the situation where the party is rejected by the people," he said when opening the Seremban Umno division delegates' conference, here.

He said the people must support Prime Minister Datuk Seri Dr Mahathir Mohamad and Deputy Prime Minister Datuk Seri Annuar Ibrahim to enable them to overcome the economic problems.

Mohamad Isa said Umno members must join forces and unite to help the government deal with problems which might crop up during the crisis. --
