Anwar denies responsibility

KUALA LUMPUR, Mon. - Datuk Seri Anwar Ibrahim has denied collective responsibility over decisions made by the Government on Perwaja Steel Sdn Bhd. Anwar said this in his statement read by his wife Datin Seri Dr Wan Azizah Wan Ismail outside the Federal Court building after his sodomy case was adjourned. He said his police report on the matter on July 21 referred to two letters allegedly signed by Dr Mahathir to Tan Sri Eric Chia, Perwaja's managing director then, approving the project and contract.
