Anwar lodges police report

KUALA LUMPUR, Sat. - Datuk Seri Anwar Ibrahim lodged a police report yesterday alleging that Prime Minister Datuk Seri Dr Mahathir Mohamad prevented the Attorney-General from prosecuting a minister for corruption.

Datin Seri Dr Wan Azizah Wan Ismail said Anwar also attached an AG's chamber document dated March 14, 1995, which was handed to him by the attorney-general Tan Sri Mohtar Abdullah, some time later that year.

She said the police report was written by Anwar while he was in the High Court lock-up yesterday. It was handed to a police officer who lodged it at the Dang Wangi police station.

A Dang Wangi police spokesman confirmed that the report was lodged.

Wan Azizah said she did not know whether Anwar had further documents with him.
