BN GOVT REMAINS STRONG AND ENJOYS PEOPLE'S SUPPORT

JOHOR BAHRU, April 18 (Bernama) -- Barisan Nasional (BN) secretary-general Datuk Seri Mohamed Rahmat said today the BN component parties remained united while the BN government continued to enjoy the people's support.

"It reflects the confidence in the BN government in safeguarding the interest of the people and the country," he told reporters after opening the Umno Pulai parliamentary level Maal Hijrah celebrations, here.

Mohamed, who is Information Minister, said the BN component parties wanted Prime Minister Datuk Seri Dr Mahathir Mohamad to continue to lead the country although there attempts from outside to topple him.

"We feel that Dr Mahathir's resignation would not resolve any problem and would only lead to more problems for the country," he said.

Mohamed was confident that given the people' continued support to Dr Mahathir's leadership, the country would remain stable and strong.
