BN HAS GOOD CHANCE OF WINNING, SAYS ABDULLAH

JASIN, Nov 25 (Bernama) -- Barisan Nasional (BN) has a good chance of victory in the four states it is concentrating on -- Perlis, Kedah, Terengganu and Kelantan -- come polling day on Monday.

Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi said today the support of BN candidates had increased, based on his visits there.

"The (BN) election machinery is moving smoothly now, better than in the beginning," he told reporters at the house of Melaka Chief Minister Datuk Seri Abu Zahar Isnin, in Batu Gajah, near here.

Prime Minister Datuk Seri Dr Mahathir Mohamad recently reported as saying that the BN was concentrating on the four states to counter the slander spread against the government in these states.

"We have a good chance of victory in these states," Abdullah said, adding that the BN faced no big problem.

On the BN strategy in facing the opposition parties in these states, he said he could not reveal it to the public.

Earlier, Abdullah, who is on a half-day visit to Melaka, was hosted to lunch by Abu Zahar after launching a rural road project at KM 30 Jalan Merlimau.

He left for Bahau, Negeri Sembilan, after the function.
