BN Wanita meeting to prepare for election

MARAN, Sat. - Key Wanita members of Barisan Nasional component parties will meet in Langkawi on July 21 to review their preparations for the general election.

Wanita Umno chief Datuk Dr Siti Zaharah Sulaiman said the meeting was also to further enhance esprit-de-corp among women representatives in the coalition.

Prime Minister Datuk Seri Dr Mahathir Mohamad is expected to address the meeting.

Speaking to reporters after a meeting with Wanita Umno heads from all 165 divisions nationwide, Siti Zaharah said a similar meeting would be held in Penang later, if necessary.

She was confident that the movement could help the BN, especially Umno, make inroads into Kelantan.

"We are now more committed and work as one. It is not impossible for us to wrest Kelantan," she said.
