BN will win if `all accept leadership's candidates'

KUANTAN, Wed. - Pahang Menteri Besar Datuk Adnan Yaakob said Barisan Nasional will cruise to victory in the coming general election if everyone in the coalition accepts the candidates picked by the leadership.

He said everybody, including those not renominated, were dutybound to support the decision wholeheartedly.

"All of us have to stand united because only through this, BN will continue to survive.

"It will also boost our confidence in taking on the Opposition in the general election," the Menteri Besar said.

At a gathering of Selangor BN leaders and members in Shah Alam yesterday, Prime Minister Datuk Seri Dr Mahathir Mohamad called on incumbents who might not be renominated to give their full support to their successors.

Adnan, who is also State Umno information chief, said everybody in BN must heed the advice.

"For the incumbents, we should be grateful even if we are not renominated.

"We have been given a chance to serve the people in our capacity as State Assemblymen, Members of Parliament, Menteri Besar or Deputy Menteri Besar," he said.
