CONCENTRATE ON SPORTS REQUIRING SKILLS - TAJOL

KUALA LUMPUR, Aug 28 (Bernama) -- National sports organisations should concentrate on sports requiring skills and ability to compete at the world level, Minister in the Prime Minister's Department Datuk Tajol Rosli Ghazali said today.

He said Prime Minister Datuk Seri Dr Mahathir Mohamad himself had stated that Malaysia need not go for sports where the size and physical strength of the competitor mattered.

Malaysian sportsmen could compete with others at the world level by relying on their ability, thinking capability and high spirits in sports like bowling and badminton, he said when opening the 5th Malaysian Jet Ski Tournament at Taman Tasek Titiwangsa here.

Organised by Bidari Wira Sdn Bhd, the tournament is participated by 55 people from Malaysia, Thailand, Singapore, Brunei, the Philippines, France, Australia and Denmark.
