CONVEY OPPOSITION ISSUES TO STATE UMNO, DIVISIONS - SITI ZAHARAH

PORT DICKSON, Oct 21 (Bernama) -- The Wanita Umno was today instructed to bring to the attention of State Umno Liaison committees and divisions issues raised by the Opposition in their ceramahs.

Its chief Datuk Dr Siti Zaharah Sulaiman said the move was necessary to counter the issues and explain the truth to the people so that they would not be confused by the Opposition's allegations.

She said Wanita Umno must be bold and have the courage to counter the accusations.

They must have the firmness as shown by Prime Minister Datuk Seri Dr Mahathir Mohamad, she told reporters after closing a three-day election preparatory course of the Lembah Pantai Umno division's wanita wing here today.

She said they should not be disheartened by the tactics used by the Opposition.

"They must be brave to face the opposition parties bent on condemning government leaders and making anti-government statements," said Siti Zaharah, who is Minister in the Prime Minister's Department.

"Our achievements are enough to show and it will be illogical if the people cannot evaluate what has been done by the Barisan Nasional (BN) government under Dr Mahathir's leadership," she said.

She also said the movement would intensify efforts to explain the issues at hand to win over fence-sitters.

"What's important is that we go down to the ground to meet our target groups and convince them to support BN," she added.
