DAP's `secret mission' revealed

KLUANG, Tues. - The DAP is secretly working to introduce Jewish ideologies among Malaysians and eventually destroy Islam, acting Umno Youth chief Datuk Hishammuddin Hussein said tonight.

This is done through the DAP's links with Socialis International, of which Israel's Labour Party is a staunch member.

Hishammuddin said Pas, Parti Keadilan Nasional and Parti Rakyat Malaysia were indirectly helping DAP achieve its ulterior motive.

"DAP's efforts can be seen by its consistent opposition and disagreement in making Malaysia an Islamic State, an effort pursued by Pas, a member of the so-called Alternative Front," he said.

Hishammuddin said Umno Youth's exposure of DAP's links with Israel was significant as Pas and Keadilan were always exploiting issues such as Foreign Minister Datuk Seri Syed Hamid Albar's meeting with his Israeli counterpart, David Levy and the arrival of the Israeli cricket team to Malaysia.

He said Pas and Keadilan had used these issues to instigate university students to hold demonstrations against the Government by stating that Prime Minister Datuk Seri Dr Mahathir Mohamad, had a secret agenda to forge ties between Malaysia and Israel.

"The party is doing this by allowing itself to be used by DAP to achieve its end in getting the Jewish regime to help destroy Islam in the country. The end result will be that the country will fall into the hands of the Jewish regime."
