Dealer pays RM55,000 for Jaguh 8

GURUN, Mon. - Penang Modenas dealer Chan Thean Lye had heard on the dealers' network that Modenas had issued the specialised plates for auction and he immediately bid RM55,000 for it - and won.

For Chan's bold bid, he not only got to be the privileged owner of Modenas Jaguh 8, the specialised number plate for the second national motorcycle, but also ensured that the Barisan Bertindak Kosovo Fund swelled by RM55,000.

Modenas had decided to donate proceeds of the bid to the fund.

With the exception of Jaguh 8, Jaguh 1 to 10 have been reserved.

Chan accepted his keys from Prime Minister Datuk Seri Dr Mahathir Mohamad today after the launching of the new model at the Modenas plant here.
