Dr M is the best, says Ghafar

MALACCA, Mon. - Umno veteran Tun Ghafar Baba today described Prime Minister Datuk Seri Dr Mahathir Mohamad as "the best of Prime Ministers" who never thought of anything but the people and the country.

"I have gone through those years ... To me, he (Dr Mahathir) is the best.

"He never thinks of anything except Malaysia, Malaysia and Malaysia," Ghafar, the longest serving elected representative told 350 MCA divisional leaders at SRJK Hen Hua in Batu Berendam.

Ghafar, formerly Deputy Prime Minister, is the candidate for the Batu Berendam parliamentary seat.

"To me, there is simply no replacement for Dr Mahathir," he said to loud applause.

Ghafar added that Dr Mahathir, also Barisan Nasional president, had given him the support to contest for the parliamentary seat.

"I am not going to let him down but continue to work hard to ensure victory."

Under his leadership, Ghafar said Malaysia was well-known worldwide. If the Government was strong, nobody, not even foreigners, would dare weaken the administration.
