Dr M: There will be new faces in Cabinet line-up

LANGKAWI, Thurs. - As the dust from the recently-concluded general election settles, attention has swerved to the new Cabinet line-up, which Prime Minister Datuk Seri Dr Mahathir Mohamad is expected to announce soon.

At a Press conference to sum up his two days at Lima '99 so far, Dr Mahathir was asked if the line-up would include some new faces.

"Obviously there would be some new faces because some people lost," he said.

When asked if Entrepreneur Development Minister Datuk Mustapa Mohamed, who lost his Jeli parliamentary seat, would be made Senator, Dr Mahathir quipped: "I have not thought about it. I have been busy thinking about aircraft."
