GHAFAR HAS ASTHMA ATTACK DURING CELEBRATIONS

KUALA LUMPUR, Oct 24 (Bernama) -- Former BN Secretary-General Tun Ghafar Baba had to leave the Barisan Nasional 25th anniversary celebrations at the National Stadium in Bukit Jalil after an asthma attack.

"There is no cause for alarm. He is OK," said his son Tamrin.

An ambulance from the Kuala Lumpur Hospital sent the 74-year-old Ghafar to his house at about 10.50pm, just before the BN Chairman Datuk Seri Dr Mahathir Mohamad read out the BN pledge.

Ghafar is also a former Umno Deputy President and a former Deputy Prime Minister.
