ITM graduates to meet Dr M

Sajahan Waheed

MORE than 12,000 graduates of Institut Teknologi Mara are expected to attend the mass meeting with Prime Minister Datuk Seri Dr Mahathir Mohamad at Stadium Malawati Shah Alam on Aug 26 at 2.30pm.

Fauzieah Hanim Al-Johari, deputy registrar of the alumni relations department, hopes to make the event an annual one.

"Our main priority is to establish a strong database as we have rather insufficient information about former ITM students," she said.

"We hope to re-unite them through this gathering and hopefully they can also pass on their knowledge and experience to the present students."

The department also plans to produce a directory of ITM alumni. "This would be a good way to keep in touch with former students and also for research purposes," she said.
