KEDAH APPROVES 7,000 LAND APPLICATIONS

ALOR SETAR, June 30 (Bernama) -- The Kedah Government has approved 7,000 applications for land involving total of 10,000 hectares with immediate effect and the titles will be issued from today, Menteri Besar Tan Sri Sanusi Junid said today.

"The land in question is for agriculture purposes," he told reporters after chairing the State Executive Council meeting here.

He also said the Kedah Government was also processing applications for Chinese New Village settlements in the state.

He however declined to say how many applications for this had been received.

Sanusi said the state government was also working towards effective implementation of all development projects.

Sanusi, who is also Chairman of the Kedah Umno Liaison Committee, said the State Umno was ready to face the general election expected to be called anytime from now.

The State Umno would leave it to the party president Datuk Seri Dr Mahathir Mohamad to decide on the candidates.
