KEDAHANS WILL OPPOSE ANYONE ATTEMPTING TO KILL THE PM

ALOR SETAR, March 21 (Bernama) -- The people in Kedah will rise up and oppose any attempt to assassinate Prime Minister Datuk Seri Dr Mahathir Mohamad, said Menteri Besar Tan Sri Sanusi Junid.

"Those who try to do so are enemies of Islam, the race and country," he said when speaking at a public gathering at the Darul Aman Stadium here tonight.

Also present at the gathering were the Prime Minister, Health Minister Datuk Chua Jui Meng, Information Minister Datuk Mohamad Rahmat, Perak Menteri Besar Tan Sri Ramli Ngah Talib, deputy ministers, State Exco members and the people in the state.

He said this when commenting on the claim by Deputy Minister in the Prime Minister's Department Datuk Ibrahim Ali two days ago that certain groups were trying to kill the Prime Minister.

Sanusi said the people of Kedah were against these people, adding that capable leadership, solidarity and peace were important elements in ensuring a more comfortable life.
