KELANTAN ECONOMIC CONGRESS PAYS TRIBUTE TO DR MAHATHIR'S LEADERSHIP

KOTA BAHARU, Nov 6 (Bernama) -- The Kelantan Economic Congress tonight moved a special resolution to express appreciation for Prime Minister Datuk Seri Dr Mahathir Mohamad's deep concern for the welfare of the people in the state.

The resolution was read out by Deputy Minister in the Prime Minister's Department Datuk Paduka Ibrahim Ali who is also Chairman of the Congress.

Without the Prime Minister's deep concern, sincerity and determination, the Kelantan people's wellbeing would not have been assured, the resolution read.

Ibrahim said the Kelantan people and the congress participants greatly admired Dr Mahathir's vision and his ability to lead the people to greater heights.

The spirit of self-reliance and the "Malaysia Boleh" concept had enhanced the country's image in the eyes of the world, he said.

He said the Malaysian Formula pioneered by Dr Mahathir had brought the various races to a high level of unity, peace and prosperity.

The congress participants prayed that Dr Mahathir would continue to have the strength and health to lead the nation and also the patience to face all slander and challenges.

Some 800 people comprising academics, politicians, Islamic leaders and heads of Non-Governmental Organisations (NGO) attended the one-day congress organised by the Kelantan Federal Development Department and the Kelantan Research Institute of Strategic Studies (Kriss).
