MALAY CONTRACTORS PLEDGE UNDIVIDED SUPPORT TO DR MAHATHIR

KUALA LUMPUR, June 16 (Bernama) -- Malaysian Malay Contractors Association today pledged full support to the Barisan Nasional (BN) government under the leadership of Prime Minister Datuk Seri Dr Mahathir Mohamad.

Association's president Haji Roslan Awang Chik said the association was impressed among others with the prosperity enjoyed by the people under Dr Mahathir's leadership.

He hoped the people would continue to give their mandate to the BN government to continue to lead the country.

"We hope and we pray that the Umno-led BN government would continue to govern the country," he said at a news conference on the association's declaration of support to the government.

Roslan said the problems facing Malay contractors in Kelantan due to limited funds of the state government should serve as example.

Fortunately, there were federal government projects in the state of which these contractors could depend on, he said.
