NEGERI SEMBILAN UMNO TEAM FOR SABAH

PORT DICKSON, Jan 21 (Bernama) -- Negeri Sembilan Umno will send a team of experienced speakers and workers to Sabah where the state election is due anytime.

Negeri Sembilan Menteri Besar and State Umno Chief Tan Sri Mohd Isa Abdul Samad said today the number of people who would be sent over had not been decided but the team would be similar to the one sent during the last state election in 1994.

"I am confident that the Sabah Barisan Nasional will remain in power," he said at his Hari Raya open house at Kampung Sirusa here.

This was because the Sabah Barisan Nasional Government had brought much development and progress to the state during its four years in power, he said.

He also said the large number of people who visited the Prime Minister's open house reflected the overwhelming support and affection for Datuk Seri Dr Mahathir Mohamad.

More than 5,000 people visited the Menteri Besar's open house here.
