NO FINAL DECISION YET ON PERAK'S LIST, SAYS RAMLI

IPOH, Nov 16 (Bernama) -- The list of Barisan Nasional (BN) candidates for Perak in the 10th general election has not been finalised yet, said Menteri Besar Tan Sri Ramli Ngah Talib.

"No final decision on the list has been received so far," he said after a meeting with Perak BN veterans at his residence here today.

Ramli said although he had a meeting with BN chairman Datuk Seri Dr Mahathir Mohamad in Putrajaya yesterday, it was only to analyse the list of candidates submitted by the state BN.

He said the final list of BN candidates for Perak would be known at least 24 hours before nomination day on Saturday.

He said 24 hours would be adequate to enable new candidates to make preparations such as involving changes of address and to submit resignation letters.

Ramli also urged BN members of Parliament and state assemblymen who might find themselves dropped from the list to continue to support the BN and to work for the victory of their successors.
