Opposition sees red over display of BN stickers

YESTERDAY's sitting saw some excitement over Barisan Nasional stickers left on the tables of Opposition members prompting a DAP MP to protest to Speaker Tun Mohamed Zahir Ismail.

Tan Kok Wai (DAP-Cheras) did not like the sticker which stated, BN Dulu, Kini dan Selamanya (BN Then, Now and Forever), left on his table and those of Opposition members.

He asked Zahir to order the usher to take it away and he did so.

The usher then began taking back all the stickers. At this juncture, several backbenchers asked for the stickers as if to mock the protest.

Tan said this was not the first time BN supporters did such a thing, the first being stickers with Kita Sokong Dr Mahathir (We Support Dr Mahathir) circulated among MPs.

"It looks like this has gone too far. Is this being done by BN Youth or Parliament staff?

"Dewan Rakyat is a respectable place and is not a venue for BN to carry out their propaganda or campaigns," Tan said.
