PANTAI LAUNCHES CAREPLUS MEDICAL CARD

KUALA LUMPUR, Nov 1 (Bernama) -- Pantai Holdings Bhd today launched its Careplus Medical Card with an aim to rake in 10,000 subscribers in the next 12 months.

Its executive chairman Mokhzani Mahathir said at the launching ceremony here today that subscribers of Careplus will have an easy access to more than 100 hospitals, both public and private, nationwide.

The card, a new service offered by Pantai Group, managed by its subsidiary Kropl Careplus Sdn Bhd, is at RM580 per year for individual programme and RM1,080 per annum for family programme.

Cardholders carry essential medical information and contact number of members' next-of-kin that provides immediate access in case of emergency.

With Careplus, the members are entitled to among others 24 hours medical helpline and customer service, annual medical examination, hospital and surgical coverage (overall annual limit of RM50,000 and all expenses are as charged).

Cardholders are also entitled to preferential prices of diagnostic radiology, preferential prices of additional health check-up, preferential prices of special treatment, pharmacy outlet discount at selected pharmacy and health seminars.

All hospitalisation of Careplus members are guaranteed and underwritten by AMI Insurance Bhd. -- BERNAMA
