Pas tie-up with women's wings

KUALA LUMPUR, Tues. - A Pas Dewan Muslimat official today confirmed Pas will work together with the women's division of Opposition parties to show there is an alternative to the Barisan Nasional.

The official said Pas was willing to work with other parties with a common agenda to oppose the BN.

"Datuk Seri Dr Mahathir Mohamad is not the only leader whom we have," the official said. "There are others also capable of being a leader like him ... even better than him."
