PM to launch Ops Basmi Fitnah

SHAH ALAM, Sun. - Prime Minister Datuk Seri Dr Mahathir Mohamad will launch Umno's all-out effort to counter allegations against the party and the government by the opposition, on Friday.

Umno Information chief Datuk Dr Yusof Noor said today that the operation called `Ops Basmi Fitnah' would be held at the Putra World Trade Centre.

"This is Umno's effort to prepare its members in countering allegations hurled at the party and the government," he told reporters after launching `Ops Basmi Fitnah' organised by the Selangor Umno Information Bureau, here.

Yusof added that the opposition had gone beyond the limit in using vulgar words to defame the party and its leaders and even to the extent of doing so over the Internet.
