SABAH WANITA UMNO TO ASSIST BN IN KELANTAN

PUTRAJAYA, Sept 4 (Bernama) -- Sabah Wanita Umno will assist the Barisan Nasional (BN) to recapture Kelantan, said Wanita Umno chief Datuk Dr Siti Zaharah Sulaiman.

She said the Sabah Wanita Umno has been given the task of approaching target groups in the Kubang Kerian Umno division.

Wanita Umno in other states too have been given similar duties but in different Umno divisions, she said.

"The programme of adopting every district in the Kelantan is our approach in getting to the grass-roots of the target groups," she said after receiving a courtesy call from the Sabah Wanita Umno delegation here today.

The 40-member delegation was led by Sabah Wanita Umno chief Datuk Norjan Khan Bahadar, who is also the Sabah Assistant Rural Development and Enterprises Minister.

"The Sabah Wanita Umno delegation declared their readiness to contribute in the coming general election," Siti Zaharah said.

"Our programme of adopting a certain division will enable us to identify problems and make the necessary preparations."

She said the Wanita Umno objective now was to prove they are capable of implementing programmes which the party president Datuk Seri Dr Mahathir Mohamad has focused on.
