Students' special Merdeka Day greetings for PM

SHOW OF APPRECIATION... These two groups of students came to see Prime Minister Datuk Seri Dr Mahathir Mohamad yesterday to present him with their hand-crafted Merdeka greeting pictures at his office in Putrajaya.

Top picture shows the Prime Minister with a group of hearing-impaired students from the Community Service Centre for the Deaf in Bukit Nanas run by the Society of Interpreters for the Deaf.

The students are making the sign language denoting "applause", led by volunteer Azlina Mohd Isa (right).

Their Merdeka Day effort was made of rolled bits of crepe paper.

Dr Mahathir was touched by the antics of six year-old Pan Wai Leng (being carried by SID chairman Wismaputri). The picture below shows Dr Mahathir with students of Kolej Yayasan Saad, who presented him with a hand printed, framed batik greeting card made by Form Two students.
