TELUGU COMMUNITY TO SUPPORT BARISAN NASIONAL

KUALA LUMPUR, Nov 24 (Bernama) -- The Telugu Association of Malaysia (TAM), with some 300,000 members, today expressed support for Barisan Nasional (BN) in the country's 10th general election.

TAM president Paul Naidu said its members, through the MIC, have always been staunch supporters of the BN government.

"Our nation has enjoyed unprecedented economic growth, peace and harmony under the BN leadership," he said in a letter to Prime Minister Datuk Seri Dr Mahathir Mohamad.

A copy of the letter was released here today.

He said the association would get the Telegu community to turn out in full force on polling day Monday.
