Theme for BN's 25th anniversary celebration

KUALA LUMPUR, Wed. - "Teguh, Padu ke arah Alaf Baru" (Strongly united towards the new millennium) has been chosen as the theme for Barisan Nasional's 25th anniversary celebration.

Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi said 100,000 coalition members were expected for the celebration at the National Stadium in Bukit Jalil on Oct 24.

The highlight of the night would be a speech by Prime Minister and BN chairman Datuk Seri Dr Mahathir Mohamad, he said after chairing a committee meeting for the preparation.

"Everything has been finalised, and we do not expect any problem."

Similar gatherings would also be held at all the State capitals, which will be attended by State BN leaders and members.
