TOP IT LEADER CALLS ON DR MAHATHIR

PUTRAJAYA, July 6 (Bernama) -- SGI World Trade chairman Robert R. Bishop called on Prime Minister Datuk Seri Dr Mahathir Mohamad at his office, here, today.

Bishop is in Malaysia to attend the three-day Multimedia Super Corridor (MSC) International Advisory Panel (IAP) meeting in Cyberjaya beginning Thursday.

The SGI or Silicon Graphics based in California, United States, is a market leader in technical computing, offering the world's most powerful servers, supercomputers and visual workstations.

Its revenue for the fiscal year 1998 was US\$3.1 billion (about RM11 billion).

The IAP, comprising multimedia industry leaders and gurus, was formed to advise the government on the MSC, a 750sq km area located between the Kuala Lumpur City Centre and the KL International Airport in Sepang.

The MSC is designated as a hub for the development of multimedia products and services.
