TUESDAY'S MEETING WILL BE NORMAL - WANITA UMNO CHIEF

SEREMBAN, Aug 14 (Bernama) -- Wanita Umno chief Datuk Dr Siti Zaharah Sulaiman said the movement's executive council meeting on Tuesday will be a normal working meeting.

The meeting, she said, would focus on allocating work among the exco members, especially with regard to the coming general election.

"At the meeting, we will also gather feedback on activating the election machiney," she told reporters after opening Kolej Tunku Kurshiah's excellence awards presentation ceremony.

Zaharah said what was important for the movement and its members now was to ensure victory for Barisan Nasional (BN) candidates in the election.

"This requires a high degree of concentration, commitment and responsibility as hoped for by party president Datuk Seri Dr Mahathir Mohamad.

"We abide by Dr Mahathir's decision and advice on closing ranks in facing the general election," she added.
