Wanita BN set to rebut false claims

KUALA LUMPUR, Mon. - The Wanita Barisan Nasional machinery is all geared up to rebut any false information and wild accusations spread by the opposition against the government, said its leader Datuk Dr Siti Zaharah Sulaiman.

"Such false information and allegations can create confusion and disharmony among the people, besides stirring up anti-government feelings," she added, after chairing a Wanita BN meeting at the Umno headquarters today.

"We have to intensify efforts by our party machinery to explain things to the people right down to the grassroots."

Siti Zaharah, who is also Wanita Umno chief, said Wanita BN regretted the action by Parti Keadilan Nasional president Datin Seri Dr Wan Azizah Wan Ismail to seek foreign intervention in support of her husband, former Deputy Prime Minister Datuk Seri Anwar Ibrahim.

She said at the closed-door meeting, Wanita BN leaders renewed their commitment to work hard for the nation's continued stability and unity.

They also reaffirmed their support for the leadership of Prime Minister Datuk Seri Dr Mahathir Mohamad in enhancing the nation's standing and in his economic recovery measures.
