`Wanita must hold meeting'

KEPALA BATAS, Sun. - Umno secretary-general Tan Sri Mohd Khalil Yaakob said today the Wanita Umno Exco should meet as soon as possible to thrash out problems.

Denying that there was a split in the wing, Khalil said the problem was only one of differences of opinion.

"The best way to solve this now is for the Wanita chief and I to hold a meeting with the Exco as soon as possible to thrash out the differences," he said.

"Until then, it is best that there should be no more Press statements from any party on the issue, as it will only make matters worse.

"The Wanita chief will make a Press statement on the issue once everything is resolved," he said, adding that this was in line with Umno president Datuk Seri Dr Mahathir Mohamad's instruction.

He said, however, no date had been fixed for the meeting.

He said this after meeting the State Umno liaison committee at Penang Golf Resort in Bertam.
