WANITA UMNO CHIEF CONFIDENT BN WILL BE RETURNED IN SABAH

ALOR GAJAH, Jan 31 (Bernama) -- Wanita Umno Chief Datuk Dr Siti Zaharah Sulaiman is confident the Barisan Nasional (BN) will be returned to power in the state election.

" Nevertheless all BN members should work hard to convince the Sabah people," she said after attending a Hari Raya party here last night.

Siti Zaharah who had earlier accompanied Deputy Prime Minister Datuk Seri Abdullah Ahmad Badawi to Sabah said the response to the BN message was overwhelming and the State BN parties were working and cooperating closely.

Wanita Umno had activated its election machinery and was working in tandem with the special committee set up by Prime Minister Datuk Seri Dr Mahathir Mohamad, she added.

Zaharah felt the Sabah people wanted continuous development and benefits which the BN had been providing since taking over power in the state.

" Much progress has been made and the development projects that have been implemented have benefited the people in Sabah," she said.

The term of the current Sabah Legislative Assembly ends on March 18.
